Plan

A supervising speech-language pathologist and a supervised speech-language pathology licensed assistant shall make a written supervision plan that must be in effect for the duration of the supervision, that may be requested by the board at any time, and that includes the following: 1) Summary of periodic evaluation and documentation reflecting the speech-language pathology licensed assistant's competence to perform the services prescribed.						
2) Summary of periodic documentation of the frequency, methods, and content of the supervision.
